

2013 CANADA SUMMER GAMES

Technical Packages – Age Categories

V7 – November 29, 2011

The Canada Games Council has been working very closely with all National Sport Organizations on the 2013 Canada Summer Games program to develop their sport-specific technical packages. Age categories are being selected to develop Canada’s next generation national team athletes in the “Train to Compete” phase of their sport’s Long Term Athlete Development Model, or other suitable phase of LTAD as justified by NSO, and approved by the Canada Games Council, to suit next generation national team athletes.

To view the team sizes (number of male athletes, female athletes, athletes with a disability, coaches, managers, and other participants) approved for the sports on the 2013 Canada Summer Games program, please visit the Canada Games Council’s **Technical Manual**, in the “**Sport**” section of the Council’s website.
